

# GOLDEN FLEECE

*crochet & design*

## Color Wheel

# Primary Colors

The colors from which all other colors come from. Cannot be created by mixing any other colors together.

**Yellow**

**Red**

**Blue**

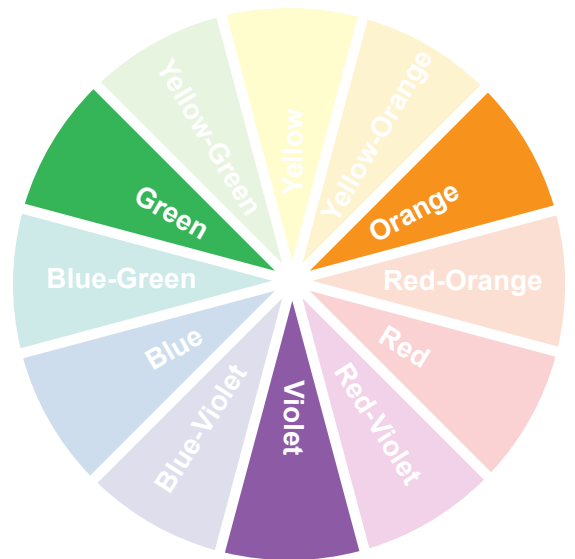

# Secondary Colors

These colors are a mixture of two primary colors. Example: Green is 50% Yellow and 50% Blue.

**Green**

**Orange**

**Violet**

# Tertiary Colors

These colors are a mixture of a primary and a secondary color.

Example: Yellow-Orange is 50% Yellow and 50% Orange.

**Yellow-Orange**

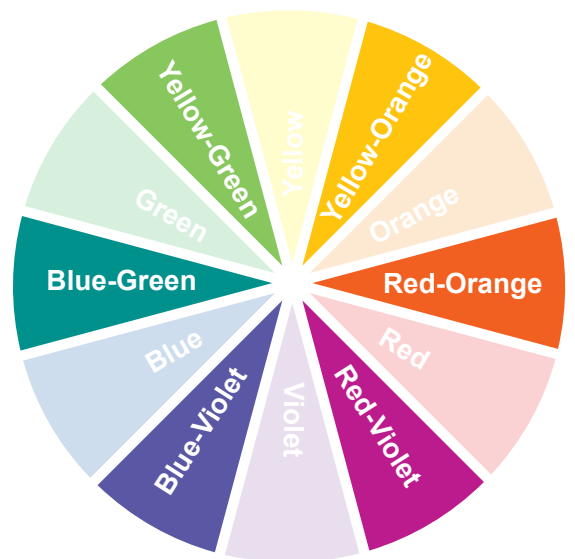

**Red-Orange**

**Red-Violet**

**Blue-Violet**

**Blue-Green**

**Yellow-Green**

# Color Harmonies

Groupings of colors that are harmonious together. These can be used as the basis of colorways in yarn.

## Complementary Colors

Two colors opposite from each other on the color wheel.  
Example: Yellow and Violet.

## Split Complementary Colors

Selecting a color, then using the 2 colors on either side of what would be the complement  
Example: Yellow, Red-Violet, and Blue-Violet.

## Analogous Colors

Colors all next to each other on the color wheel.  
Example: Violet, Blue-Violet, Blue, Blue-Green.

## Triadic Colors

Three colors evenly spaced on the color wheel.  
Example: Yellow, Red, and Blue.

## Tetradic Colors

4 colors, 2 sets of complementary colors  
Example: Blue and Orange, Violet and Yellow.

## Monochromatic Colors

Variations on one color  
Example: Red and pinks.
